

CLC Package

The CLC Overview - From Theory to Practice - Edusoft's pedagogical rationale behind the creation of the CLC.

The CLC Teacher's Guide - Provides structured unit plans which outline the integration of all learning resources. (3 binders one for each of the 3 levels: basic, 1,2,3 intermediate 1,2,3 and advanced 1,2,3 – 6 units in each level)

English Discoveries 2.1 CLC version – A state-of-the-art multimedia English language course with internet connectivity which allow students to connect to a community of English learners around the world.

Worksheets for English Discoveries – 1 binder containing worksheets for all the levels in ED.

CLC Guided Discussions - 1 binder containing the following levels Basic, Intermediate, Advanced and Executive

Commercial supplementary material - A wealth of supplementary learning resources that are integrated in the CLC Teacher's Guide.

Video and Audio Tapes - to make English learning a multi-sensory experience.

Library of Reference Books for Teachers - containing the most pedagogically up to date materials.

Practice Material - reading and listening comprehension exercises to improve learning strategies.

Communication Games & Activities - to enrich students' linguistic competence in group and class settings.

Pedagogical training - Edusoft's staff will provide pedagogical training on how to implement the CLC- five days in total.

On-going pedagogical and technical support (A total of 30 hours for both) - Our clients are entitled to 30 hours of support. This is achieved by phone, e-mail, video conferencing, online forums and a special teachers corner on the Internet.
